The local pronunciation rang out when I heard some guys here singing that greatest of slow dance songs: "Theyeyey ast me how I knew my true love was true, Oh ohohoh, I of course replied something here inside cannot be denied." What do you suppose the Platters meant by "something here inside"--the heart or the lower reaches?

Hi, out there. Perhaps you've seen this, but

InsideEPA  **@InsideEPA** <https://twitter.com/InsideEPA/status/185374683607203840> **USGS** Lead On **#Fracking** Contamination Study Could Target Data Concerns <http://t.co/qHrUNK1L> **#NatGas** Non-Subs: <http://t.co/hzPmrXZs>

We're still going nutto with the Dimock, Pa. contamination study and removal response. Best wishes from your favorite center city. Larry

P.S. Another Philly pronunciation we haven't shared: "asked" sounds like "ast."
